## AIR POLLUTION CONTROL DISTRICT

## AGRICULTURAL BURN SUBMISSION FORM

ATTENTION PERMIT HOLDER: Submission of this form does not grant permission to burn the fields listed. All entries must be reviewed and scheduled by an APCD Inspector. Upon scheduling, either a member of the APCD front office staff or an APCD Inspector will contact you. Standard burn rates will apply. You will be billed for the month that your field burned in. Failure to pay your appropriate fees can lead to the suspension of future agricultural burning. If for any reason your field cannot burn when scheduled staff must be notified within 24 hours to avoid additional charges.
