

AIR POLLUTION CONTROL DISTRICT

POLICY: CLEAN AIR FUND

EFFECTIVE: November 6, 2000; June 24, 2009
Revised June 7, 2022

POLICY NUMBER: 35

GENERAL:

All revenues generated by forfeiture and fines, after satisfying the requirements of the current fiscal year revenues, shall be deposited in the Clean Air Fund (trust fund # 1648).

Money may only be expended for projects that will improve the air quality of the Imperial County Air Pollution Control District (ICAPCD), specifically to reduce the emissions caused by non-attainment pollutants.

Request for funds shall be made in writing to the Air Pollution Control Officer (APCO). The APCO will review and forward the request with a recommendation to the ICAPCD Board of Directors for their approval.
