

**Imperial County Air Pollution Control District –  
Request for Proposals (RFP) for  
AB 617 Electric Bus Projects**

The Imperial County Air Pollution Control District (ICAPCD) is accepting proposals to reduce mobile source emissions (NO<sub>x</sub>, PM<sub>10</sub>, PM<sub>2.5</sub>, VOC) from buses within the Assembly Bill (AB) 617 Community Corridor of El Centro-Heber-Calexico. Submitted proposals must be for the replacement of a diesel bus with a new electric bus. Eligible applicants are limited to local school districts, government and transportation agencies within the AB 617 Community Corridor of El Centro-Heber-Calexico.

Proposals must be in accordance with the California Air Resources Board's (CARB) Carl Moyer Memorial Air Quality Standards Attainment Program (Moyer Program) and Community Air Protection Incentives 2019 Guidelines (CAP Guidelines). The ICAPCD will select proposals that are eligible and cost-effective under the Moyer Program and CAP Guidelines.

All proposals are due to the ICAPCD no later than the **close of business (5:00 pm) June 15, 2023**, unless prior alternate arrangements are made with the ICAPCD. Please submit a hard copy of your proposal(s) to the following:
