

AIR POLLUTION CONTROL DISTRICT

REQUEST FOR PROPOSAL(S)

Air Pollution Mitigation Projects

The Imperial County Air Pollution Control District (ICAPCD) is now accepting proposals to help mitigate NOx and PM10 emissions throughout Imperial County. To assist applicants, section E.5 of the Rule 310 Operational Development Fee outlines the minimum requirements for each project proposal. Section E.6 outlines the evaluation and recommendation process, based on the cost-effectiveness of each project.

The County of Imperial, Cities, private developers, and the public have an equal opportunity to apply for the available funds collected during the Fiscal Year (FY) 2023-2024. Please refer to the Rule 310 Accountability Report published by August 1 of each calendar year on the ICAPCD website. A hard copy of the Accountability Report is available for review at our office at 150 S. 9th Street, El Centro, CA.

All project proposals are due to the ICAPCD no later than the **close of business (5:00 pm) on November 1, 2024**, unless other prior arrangements have been made with ICAPCD staff. Please remit a signed hard copy of your proposal(s) to:
